

EMPOWERED TO INFLUENCE

INFORMATION SHEET

INTRODUCTION

In Matthew 5:13 and 14, the Lord gives His Church a mandate to be “the salt of the earth and the light of the world”. Many believers, however, are not able to live out this mandate. It is not so much because they have not been equipped, but because of a wrong mindset that is causing the salt and light in these believers to remain dormant.

The EMPOWERED TO INFLUENCE (ETI) course is a facilitated course that uses videos of Singaporean businessman, Ken Chua. Ken teaches on seven paradigm shifts that need to take place for believers to become salt and light for God in their places of influence.

PURPOSE

The purpose of ETI is to help believers:

- take on new biblical paradigms to live effectively as salt and light that impacts their spheres of influence for God's glory.
- see their everyday vocation in life as a platform to live out their call for God's Kingdom.
- appreciate how they can impact nations for God.

FORMAT

ETI is a video-based facilitated course, that can be conducted using different formats, and often online as well as in person. Each session runs for about an hour and can be integrated into a regular weekly Bible study or small group meeting in a local church.
